## Global Threads Local Ties

SIEBA CONFERENCE 25-26 JUNE 2024

### Speaker Bio:

Clare Leon-Brown brings a strong background to her role as International Director at Mount Albert Grammar School (MAGS). Her time at the University of London studying European Studies and experience teaching English in Hong Kong and France, consolidated a love for languages and travel, leading her to manage a language school in Oxford.

After relocating to Auckland 14 years ago, Clare joined the international department at Avondale College. This experience ultimately led to her current position at MAGS. Here, Clare has created a supportive team dedicated to the success of international students. Witnessing the changes in international education over the past three decades, both in the UK and New Zealand, has provided Clare with a unique perspective on the sector.
