SIEBA CONFERENCE 25-26 JUNE 2024

Speaker Bio:

**International Director,
Tahatai Coast School**

Topic -
Best Practice Panel - Primary &
Intermediate Schools

I have worked in international education since 2009, specifically within the primary & intermediate school sector. I am currently employed as International Director at Tahatai Coast School in Pāpāmoa Beach.

I am the primary school sector representative, sitting on the executive board of our regional organisation - Education Tauranga. I enjoy engaging with various cultures and sharing my own. Helping students and parents to adapt to a new life is rewarding and further enriches my cultural understanding and competencies.

My strengths are communication, organisation, system implementation and relationship building and nurturing.
